## **Digitizer Club**

### **Activity Report 2024-25**

#### **TECHARENA 2025 (NATIONAL LEVEL IT FEST)**

**DATE: FEBRUARY 01, 2025**

**VENUE: CHRIST COLLEGE CAMPUS, RAJKOT**

**Total Participants: 306**

Tech Arena 2025, held on February 1, 2025, at Christ College, Rajkot, was an exciting event showcasing diverse tech skills and talents. The event featured multiple competitions and discussions by Dr. Jeba Praba, Convener and co-convener by Ms. Kruti Kotak, with student coordinators Ms. Hiral Tolia and Mr. Kuldeep Gohel. The inauguration in the Main Conference Hall of Christ College was graced by dignitaries, including Fr. Stanley Joseph, the finance administrator of Christ Campus; Dr. Yvonne Fernandes, Principal of Christ College; Dr. K J Thankachan, Principal of Christ Institute of Management; Mrs. Nympha Gogia, Principal of Christ Polytechnic Institute, and Chief Guest Mr. Gopal Khirsariya, FOMEX GROUP of Companies Chairman and Managing Director of WIPTECH PERIPHERALS PVT. LTD. Hosted by Ms. Heena Vasvani, the ceremony included a prayer dance by Ms. Hiya Wadhvani and an event overview by Dr. Jeba Praba. The day started with the Brain Tease quiz, where participants tested their tech knowledge. The Creative Canva competition challenged participants to design logos for Quickynix Digitals. The Tech Debate sparked discussions on AI ethics, automation, and employment impacts. Simultaneously, the Speed Battle saw intense gaming competition in Need for Speed (NFS). The Bug Hunt tested programming and debugging skills in a race against time. The second round of the Brain Tease quiz further challenged participants with advanced tech questions. The Valedictory ceremony awards the winners with a winning certificate, medals and mementos. It is followed by a vote of thanks from Ms. Kruti Kotak. The event concluded with inspiring remarks, emphasizing innovation, collaboration, and lifelong learning in the tech industry. Tech Arena 2025 was a resounding success, fostering engagement, creativity, and technical excellence, with the presence of Fr. Stanley Joseph and Dr. Yvonne Fernandes adding to its significance.

Overall, this competition appears to have been a significant and positive activity for the Digitizer Club, setting the tone for its future endeavours.

# **WORKSHOP ON LOGO DESIGNING WITH MARKETING & BRANDING TACTICS**

**Date: SEPTEMBER 09, 2024**

**VENUE: CONFERENCE HALL(112),CHRIST COLLEGE, RAJKOT**

Digitizer Club, Christ College, Rajkot, organized a Logo Designing with Marketing & Branding Tactics. The coordinator of the workshop was Dr. Jeba Praba. J, Associate Professor, Department of Computer Applications, Christ College, Rajkot. The Resource person of the workshop was Mr. Mitesh Vaja, Graphic Designer, Tops Technologies, Rajkot. The workshop started with a brief introduction to logo designing techniques and marketing strategies with key requirements for branding and naming a brand. The expert explained to all the students, specifically those interested in designing, how this logo design works and what areas you can enhance your skills and make a career out of graphic design in the IT industry. He also introduced various types of logo design and how they are named on that basis, which gave students an idea about the idea behind those logos. It was a wonderful experience for the students.
