Title: ABC of Writing Research Paper

Faculty Coordinator: Sr.Dr.Alphonsa K.L

Resource Person: Dr. Parth Joshi

Date: 11/10/2024

A significant part of the session was dedicated to explaining the structure of a research paper. Mr. Joshi meticulously outlined each section, from crafting a precise and engaging title to writing a compelling abstract that encapsulates the research problem, methodology, and key findings. He discussed the importance of setting the context in the introduction, conducting a thorough literature review, and framing research questions. He further explained how to design the methodology section with clarity, present findings effectively, and draw conclusions that summarize the research's contributions while suggesting future research directions. The importance of properly citing sources to uphold academic integrity and avoid plagiarism was also emphasized. Mr. Joshi introduced tools like **Mendeley** and **Zotero** to simplify citation management and demonstrated how they could be used to streamline referencing.

Title: Self makeup workshop for girls

Faculty Coordinator-**Ms. Kruti Kotak**

Resource Person: Ms. Ayushi Dhruva

Date: 30/9/2024

Basic to Advance Fashion Illustrations session was held under Inquest- A series of skill development program organized by Christ College, Rajkot on 30th September,2024 in room no 306 of Christ College. The resource person Ms. Ayushi was an alumni of Christ College passed out in the year 2018-19. She completed her diploma from IFJD and then started working as an instructor for 2 years. Currently she is a free lancer as a Fashion Designer. The seminar started by welcoming Ms. Ayushi with a memento felicitated by Ms Kruti Kotak, Event Co-Ordinator. 25 students attended the session. Ms. Ayushi covered all the aspects related to sketching a model dress. She personally illustrated the sketch on black board and gave the tricks to design in a better way. She demonstrated the sketches with special sheets used for designing and provided sheets to each student. She gave hand on practice to each student and guided them to make it better. All the students had a good experience after the session and few students personally contacted the resource person at the end to have some future guidance.

Title: How to make Bread and Pav at Home

Faculty Coordinator-Dr. Charmy Kothari

&

Mr. Priyank Patel

Date: 27/9/2024

The session provided students with a solid understanding of the fundamental skills needed for baking, specifically focusing on Pav. Participants were amazed at the softness and fluffiness of the Pav, which exceeded their expectations. Many students were initially surprised at how light and airy the Pav turned out, a result of the careful blending of ingredients and the application of proper baking techniques. The hands-on experience allowed students to see the transformation of simple ingredients into a professional-quality product, which left them motivated to explore more advanced baking methods. Overall, the feedback was overwhelmingly positive, with students expressing their desire for the programme to continue. They were eager to refine their skills and explore further baking techniques in future sessions.

Title: **Cybersecurity for Youngsters**

Faculty Coordinator-**Dr. Nimisha Vaidya**

Resource Person: Dr. Haresh Bhatt, Former chairman and Mission Director, Information & Cyber Security board, ISRO.

Date: 9/8/2024

The programme was open to all students of the campus. There was a total of 200 participants including faculty members of the college. Father Stanly, the Finance Administrator of the college, and Dr. Yvonne Fernandes, the Principal of the college, graced the programme with their presence. The programme was anchored by Ms. Hardvi of First Year BSc Physics class.

The cyber world is posing threats to all sections of the society. Frauds are perpetrated everywhere. Hacking of phones, computer systems, siphoning of money, posting nude photos etc. are posing serious threats to young and old as well. Thus, being safe in the cyber world is a necessity these days.

Dr. Bhatt began his lecture with the introduction to different kinds of frauds like phishing, vishing, etc. and talked about the modus operandi of these frauds. He then gave tips on how to keep the phones safe, by using passwords which cannot be cracked for a long period of time. He also taught how to deal with app permissions and use apps safely.

There was an interaction session afterwards, where faculties and students asked many questions regarding career and cybersecurity.

The feedback taken from the participants reflects that they enjoyed the session and gained a lot from the seminar.

Title: Filing Income Tax Returns

Faculty Coordinator-Dr. Swati Doshi

Resource Person: CA Abhishek Doshi

Date: 6/8/2024

A session on Filing Income Tax Returns was planned and conducted on August 6, 2024 from 12.00pm to 1.30pm. The resource person was CA Abhishek Doshi, Partner at KSD and Associates, Rajkot. He is a practicing Chartered Accountant in direct and indirect taxes. The session was coordinated by Dr. Swati Doshi, Head, Department of Commerce.

The objective of this programme was to bring awareness amongst the staff members and students of Christ campus about how to file returns and who is liable to pay tax. Also it aimed at clarifying the various heads of income and the process of filing income tax returns online as individuals. 46 students and 2 staff members attended this session. The expert discussed the history of Income Tax Act, the revenue generation and the bifurcation of tax payers v/s people filing Income Tax Returns with interesting facts and figures. He elaborated on the concept of Direct and Indirect Tax, the tax rates under the old and new regime. He further explained the different heads of income, various types of deductions under the old and new regime, the different types of Income Tax Returns and the benefit that one would derive by adopting the old regime or the new regime for computation of tax liability. The expert then demonstrated with the process of filing tax return online by logging on to Income Tax site and selecting the type of return to be filed, incorporating data related to incomes under various heads and deduction claims and finally the authorization with a digital signature and other modes. The session concluded with a discussion on the various forms like Form 16, 26 AS, AIS and TIS.
