

Christ Human Library Hosts Chapter 7 at Saint Mary's School, Rajkot

The Christ Human Library (CHL), an innovative initiative promoting dialogue and shared learning, successfully hosted its seventh chapter on October 23, 2024, at Saint Mary's School, Rajkot. Over 200 attendees gathered to hear nine distinguished "human books" share transformative life experiences.

CHL, launched on October 27, 2023, under the leadership of Dr. Father Jomon Thommana, Director of Christ College Campus, Rajkot, has become a vital platform connecting academia with the broader community.

Chapter 7 featured inspiring narratives, including those of Professor Anamik Shah, former Vice-Chancellor of Gujarat Vidyapith; entrepreneur Dhaumil Parmar, an IIM Calcutta alumnus; and physically challenged couple Manish and Harsha Mehta, who shared their journey of resilience. Other contributors included humanitarian Taksh Mishra, yoga trainer Mona Maheshwari, and musician Manthan Joshi, among others.

The event was hosted by Saint Mary's School, with refreshments sponsored by Selva's South restaurant. CHL continues to provide an inclusive platform for storytelling and dialogue, fostering connections and broadening perspectives within and beyond academia.
