Report on Inauguration Ceremony of Science Club

The Science Club Inauguration Event, organized by the Science Club at Christ College, Rajkot, took place on 22nd July 2023 at 11:45 am in the main conference hall. The event aimed to officially launch the Science Club and gather students and faculty members who share a passion for science, fostering a vibrant community of science enthusiasts within the college.

The event commenced with welcoming remarks from the Science Club's Event Anchors. They expressed excitement about the formation of the Science Club and highlighted importance of science in daily routine. Welcome speech was followed by prayer and lightning the lamp to begin this journey with positive vibrations.

Then announcement of club office bearers was made by the coordinator of Science Club Dr. Priyank Patel. Each office bearers were given their badges by Rev. Fr. (Dr.) Jomon Thommana, Director, Christ Campus, Rajkot and Dr. Yvonne Fernandes, Principal, Christ College, Rajkot.

After the distribution of badges, The President of Science Club, Devashish Joshi introduced the aim and purpose of the club along with an overview of the planned activities and initiatives for the academic year 2023-24 and showed glimpses of past activities done by the club.

Following the introduction of club, Rev. Fr. (Dr.) Jomon Thommana Director, Christ Campus, Rajkot delivered an inspiring keynote speech. He emphasized the significance of promoting scientific curiosity among students and congratulated them on taking the initiative to form the Science Club

The inauguration event provided a platform for students interested in science to connect and network with like-minded individuals. Students from various disciplines shared their enthusiasm for science and discussed potential collaborative ideas. The event concluded with closing remarks from the club animator, Ms. Tanvi Pandya, who expressed gratitude to all attendees and encouraged them to actively participate in the upcoming Science Club activities.

The Science Club Inauguration Event at Christ College, Rajkot, successfully established a platform for students to explore and celebrate their passion for science. The event garnered overwhelming support from students and faculty alike, showcasing the tremendous potential for fostering scientific curiosity within the college community. With a promising lineup of activities and initiatives, the Science Club is set to become a vibrant hub for scientific learning, innovation, and outreach.

The event's success was a testament to the dedication and hard work put forth by the Science Club's organizing committee and the strong backing from the college administration. As the Science Club moves forward, it is expected to inspire a new generation of scientists, nurtured by the spirit of curiosity and the pursuit of knowledge.
