Christ College Rajkot

Faculty Development Committee

2024-25

FDP 1   **Report**   **Date: September 14, 2024**

Resource Person : Ms.. Pintukumari Bera, Assistant Professor, Department of Computer Applications, Christ College

Topic: Overleaf - LaTeX Online

A session on LateX- Online was organized by the Faculty Development Committee on September 14, 2024 from 12 noon to introduce to the College teachers the basics of LaTeX and its application in academic writing. This would further equip them to create professional-quality documents and publications using LaTeX.

The session was attended the College Principal , Dr. Yvonne Fernandes and 41 College teachers . It covered an Introduction to LaTeX, its history and evolution, basic concepts in LaTeX. It also covered document structure and syntax, text formatting and styling, mathematical typesetting and use of graphics.

An online demonstration was given for creating documents with LaTeX , writing LaTeX code, compiling a research paper , basic templates, inserting tables and figures , bibliographies and citations.
