

REPORT

Chapter 8@CHL, Christ College Campus, Rajkot

DATE: 13 December 2024

VENUE: Bio Technology Lab, Christ College, Rajkot

TIME: 10.00 am onwards

Christ Human Library hosted out its 8th Chapter – Connecting the Dots, in the college at Bio Technology Lab, Christ College. There was a single session of Dr. Megha Purohit, ESG expert and sustainability consultant at Venus Global Technology. The chapter was organised on 13th December, 2024. Ms. Megha was honoured with a Memento and she was overwhelmed as being an alumnus of the college, she got the opportunity to be a human book!

In the session, Ms. Megha provided yielding knowledge about various things such as, how to build a startup, how to settle abroad, and the challenges to be faced when settling down in foreign countries. She also enlightened the readers about how to study well and be a scholar, because she herself was a topper in her educational journey. Along with that she gave an insight into the psychology of customers and how we can convince them through our speaking skills and make them believe in our business. Also there were some of the tips given by her on building up a new business with unique idea and how to excel in it. Not only professional guidance but she also threw some light into her personal life and balancing parenting with career.

The event was thoroughly enjoyed by all the present readers, there was a constant engaging session. Moreover, the event witnessed a crowd of lots of students, proving the success of the event!
