

PROGRAM STRUCTURE

UG CBC: CHRIST COLLEGE RAJKOT

Before Workshop

Orientation program (OP): To organize OP at network colleges to bring awareness about program and importance of National Level Competitive Exam and its role in shaping their future.

During OP, UG-CBC conducts screening test if a greater number of students shows interest to enroll for the workshop

Workshop date is confirmed after consultation of HODs of interested college.

For selected students WhatsApp group is formed for easy communication during and after workshop

Workshop is designed with aim to cover syllabus according to the format of GAT B and other exams like Life Sciences (70%), Chemistry (15%), Physics (10%) and Maths (5%) respectively.

During workshop

- Resource persons are invited from Christ college (60%) and external faculties (40%).
- 10 lectures each day with lunch and tea break
- Daily mock test of the topics covered in a particular day.
- Preparation of results of all the mock test and preparing merit
- Felicitating the students who stood 1, 2 and 3 in the test.
- Taking feedback of few students to know the fruitfulness of the workshop and for future improvement.
- Post workshop UG CBC coordinator motivate all students who attended the workshop should to give competitive exams.
- To improve students' attendance for entrance exams, since past two years, GSBTM took initiative to reimburse fees paid by students for application to appear for National competitive exams
